There is a charge of £50 including P&P for your copy of ARMISTICE CANTATA.

The pack contains: 1. A CD of backing tracks

2. A second CD containing the following:

- PDFs of the sheet music /scores – melody line with chord symbols and the original lyrics. Schools may use this to create their own accompaniment rather than use the backing tracks if they wish.
- PDFs of a simple piano accompaniment score for each song – for schools wishing to accompany with a piano. - Additional SA and SAB vocal scores for two of the songs - for schools wishing to involve a local “Goldies” group or a local adult choir.
- Word sheets for all the songs, and the narrative between each song/scene – this can be amended to “localise” the production to the area / community where it is performed.
- A Powerpoint presentation for use as a backdrop to the production – this can also be amended.

3. Hard copies of all resources on the second CD.
